Golf Course Storm Response & Project Experience

2026 | Tornado/Wind/Hail
Rivinia Country Club | Riverwood, Illinois
Storm damage cleanup following severe weather on July 27, 2026. Cleanup was completed while the courses remained open.

2025 | Tornado
Forest Park Golf Course | St. Louis, Missouri
Extensive tree damage and cleanup following a direct tornado strike. Time-sensitive storm cleanup with all courses reopened in 12 days to prevent tournament cancellations.

2024 | Hurricane Beryl
The Woodlands Country Club | The Woodlands, Texas
The Clubs of Kingwood | Kingwood, Texas
Deerwood Country Club | Kingwood, Texas
Large-scale hurricane cleanup across multiple golf courses. All courses were fully cleaned up in just 25 days.

2023 | Ice Storm
The Hills Country Club & Westlake Country Club | Austin, Texas
Major ice storm cleanup across 10 golf courses in the Austin area, completed in 27 days. Worked with FEMA and the city to coordinate debris disposal.

2022 | Wind Storm
Eagle's Nest Country Club | Phoenix, Maryland
Norbeck Country Club | Rockville, Maryland
Wind storm cleanup at both courses. This was the second storm response project completed at Norbeck Country Club.

2022 | Golf Course Maintenance & Improvement Projects
Firethorne Country Club (now Country Club of the Carolinas) | Marvin, North Carolina
Tree removals associated with golf course hole redesign projects.

Ardea Country Club | Tampa, Florida
Pruning and tree removals on both courses.

2021 | Ice Storm
Oak Tree Country Club | Edmond, Oklahoma
Ice storm response involving pruning of every tree on both the East and West courses.

2020 | Wind Storm
Brookhaven Country Club | Dallas, Texas
Major wind storm cleanup across three courses totaling 54 holes: Masters, Championship, and Presidents. With a major tournament scheduled in just seven days, crews completed cleanup while keeping the courses open.

2020 | Tornado
Norbeck Country Club | Rockville, Maryland
Tornado-related storm cleanup.

2017 | Hurricane Irma
Queen's Harbour | Jacksonville, Florida
Marsh Creek | St. Augustine, Florida
ClubCorp (now Invited Clubs) | Orlando, Florida
Hawkstone Country Club | Gainesville, Florida
Ardea Country Club | Tampa, Florida (North and South Courses)
Hurricane Irma cleanup across six golf courses in five cities. All six courses were fully cleaned up in 12 days.

2014 | Major Ice Storm
Woodside Country Club | Aiken, South Carolina
Major ice storm cleanup. Time-sensitive project requiring the course to reopen before a Masters-related event.
